

REQUEST FOR PROPOSAL
PILOT PROCESSING CENTRE, WAREHOUSE AND CRECHE CONSTRUCTION

Introduction

The Global Shea Alliance (GSA) is a non-profit industry association established in 2011. The Alliance has 919 members from 39 countries including women's groups, brands and retailers, suppliers, and NGOs. Through public private partnerships, GSA promotes industry sustainability, quality practices and standards, and demand for shea in food and cosmetic products. The Alliance promotes industry sustainability, quality practices and standards, and demand for shea in food and cosmetics. The GSA's mission is to design, develop, and deliver strategies that drive a competitive and sustainable shea industry worldwide, improving the livelihoods of rural African women and their communities.

The Shea Business Empowerment Program (SBEP) is seeking qualified technical expertise to guide the setup and operation of a pilot model processing center for young people in shea production, including a warehouse and crèche in Northern Ghana as part of SBEP.
